

Is your child starting Reception in September 2021?

Here's why you should choose Wood End Park Academy for your child's early education!

WEPA – **W**orking for **E**xcellent **P**erformance - **A**lways

We are proud of the academy's warm and welcoming atmosphere, and its passionate commitment to academic excellence and care.

Our Early Years Vision Statement

- Children who attend Wood End Park Academy feel welcomed, safe and secure in an environment that builds upon each individual's wants, needs and interests. Children build strong relationships and bonds with key adults ensuring they feel valued, allowing them to explore and learn. They develop good communication skills through positive interaction with adults and peers which aids them in learning skills that help them throughout their lives.
- We foster their creativity throughout the Early Years. Children develop lively, enquiring minds with a love of learning and a lifetime of curiosity. They have many opportunities to ask questions and be interested in the answers, to solve problems and think critically. Children develop their knowledge and skills to their full potential in every area of the curriculum so they may grow into independent, self-motivated, caring and sharing members of society.
- We offer a variety of real-life experiences to help the children link all their learning together. Children are offered a wide and varied curriculum utilizing both indoor and outdoor environments. Our aim is to nurture children so that they have a great attitude to learning and have all the basic skills they require to achieve all their aspirations.

A message from the Year Leader – Mrs Afshari

'My name is Mrs. Afshari, and I am the team leader for Reception. I therefore wanted to take some time and introduce myself, as well as share my vision and hopes for the pupils who I hope will be starting with us in September!

As a devoted teacher and team leader, my fundamental goal for our children is to develop a love for learning and to ignite within them a sense of curiosity and passion that will follow our pupils through their academic and professional careers.

Reception is a unique and special year in children's lives and at Wood End Park Academy, one that is not easily forgotten! Our exciting trips, educational visits and memorable experiences will set the building blocks for successful learning and nurture growth within our pupils. Core skills such as problem-solving, resilience, exploration and effective communication will be continually developed through play, quality interactions and focused lesson inputs. At the heart of our provision is children's happiness and wellbeing, and through this comes the excellent learning that we see year-on-year.'

What do we have to offer?

Great question!

Excellent, experienced and passionate class teachers.

Mrs Manic
❖ RM Class Teacher

Mrs Kanwar
❖ RK Class Teacher

Mrs D'Souza
❖ RD Class Teacher

Mrs Afshari
❖ RA Class Teacher

Children will gain first-hand and invaluable experiences

Hatching chicks

Farmer for a day!

And visits from different 'people who help us'

And some
exciting trips
too!

Look inside
a typical
classroom!

Activities and Set-ups for every theme!
E.g., Magic and Mystical Creatures!

Making Maths fun!
