

# Wood End Park Academy

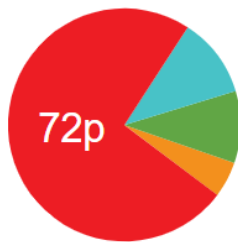

Dear parents/carers,

This year, Wood End Park Academy will be working hard to raise money for Global Park in Partnership with Action Aid. ActionAid is an international charity that works with women and girls living in poverty. ActionAid has a long history of responding to humanitarian crises around the world. They put women and girls first, to strengthen their resilience against future crises.

ActionAid works with communities to prevent and respond to violence against women and girls and create long-term change for good. We fund women's groups and networks across the world, who train parents, teachers, local police and legal advisers to recognise the signs of violence and to report it.

Your contributions go a long way in supporting girls and woman from all over the world:

## Accountability

For every £1 you donate we spend:

**72p** on humanitarian and development programmes and strengthening our global federation

**15p** on fundraising

**10p** on support costs (running the organisation)

**3p** on campaigning for change

There will be a number of events across the year for your children to attend and help raise money for. These will be advertised closer to the time of the event and there will be an option for you to pay for these events on Parent Pay.

The first event will be on **Monday 20th November** with a whole school non-uniform day- £1 donation. This money will support us in funding the events throughout the year to ensure they are as successful as possible.
