

Dear Parents/carers,

To help your child make progress in maths, here are excellent websites to use. You will be able to play some games that will help your child with their number work, shape recognition and money recognition.

<https://www.topmarks.co.uk/maths-games/3-5-years/counting>

<https://www.topmarks.co.uk/maths-games/3-5-years/ordering-and-sequencing>

<https://www.topmarks.co.uk/maths-games/3-5years/money>

<https://www.topmarks.co.uk/maths-games/3-5years/measures>

Another really good website to help your child in maths is www.crickweb.co.uk/Early-years.html

These are educational games which are fun and you can help your child achieve the goals needed for the end of Reception.

Many thanks
Mrs Manic
