

HAVE YOU NOTICED A CHANGE IN YOUR LOVED ONE'S BEHAVIOUR?

Actors are used in the images displayed.

Have they become secretive and aggressive?

Are they less understanding of other people's views and interested in radical fringe politics?

Anxiety and uncertainty about their place in the world can lead young people to look for answers in the wrong places.

They are at risk of being recruited by far-right extremists.

If you're worried, Exit Family Support can help.

MANY PARENTS WANT TO KNOW HOW TO TELL IF THEIR LOVED ONES ARE INVOLVED WITH FAR-RIGHT EXTREMISTS.

The truth is there's no easy answer.

If you think someone you love has become involved in an extreme far-right group, stay calm and keep talking to them.

We understand how alone you can feel and how difficult those conversations can be – we're here to help every step of the way.

Exit Family Support offers free advice and one-to-one guidance. We can provide you with the tools to help your loved one rebuild their life.

When you get in touch with our team of reformed far-right activists, you don't have to use your real name if you don't want to. We'll get back to you within 24 hours.
