# EXIT UK IS MADE UP OF FORMERS WHO HELP CURRENT FAR-RIGHT GROUP MEMBERS TO REBUILD THEIR LIVES.

If you're having doubts, or just want to chat to someone who has already left, contact us for free support.

We can share our first-hand experience of leaving the far-right, and help you to rebuild your life.

There's no need to give us your name if you don't want to. You can leave us a message via phone, email or Facebook.

We'll reply within 24 hours and help you take the first step.

Our confidential mentoring is available no matter where you live in the UK.

**The past is the past, we are not here to judge.**
