

# World Music Day

Wednesday 21st June 2023

## Whole School Musical Instrument Making Competition

Use art materials to make an instrument at home. We have had some fantastic entries in the past. Bonus points if you can play a tune or rhythm on your instrument.

**Entries will be collected and judged on Wednesday 21st June 2023**

## MUSICAL DRESS UP DAY

Come to school dressed up as your favourite musician, singer, composer or even instrument.

Get creative:

- Use clothes you already have or be creative with art materials e.g.: make a wig out of cardboard or string.
- You could also just draw the musical symbol/instrument on an old shirt or on a piece of cardboard which you could stick on your clothes.

**ROCKSTEADY will be performing a special World Music Day concert**  
All classes will be invited to stream in online and watch the concert.  
**After lunch on Wednesday 21st June 2023**
