

# Tricky Word Challenge

Can your child be the first one to reach the tricky word castle? Each week when your child reads with the nursery nurse they will be asked to read three tricky words.

These are words that have irregular spelling patterns

and therefore should be **learned by sight**.

Each week these words will be sent home for you to practice with your child. There are 18 words and once your child has mastered them all they will receive a very special certificate. If you would like any support with this, please do speak to your child's class teacher.

Kind regards
