

## **PE and Sport Premium Funding**

Following the London 2012 Olympic and Paralympic Games, the Government made the decision to provide funding for schools to secure a significant and lasting legacy for the children. The PE and Sport Premium is designed to help primary schools improve the quality of the PE and sport activities they offer.

### **How can the PE and Sports Premium be spent?**

Schools must spend the additional funding on improving their provision of PE and sport adhering to the guidance as set out in 'PE and sport premium for primary schools'. The government has also stated a commitment to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day, with a recommendation of 30 minutes of this delivered during the school day.

The PE and Sports Premium should be used to:

- develop or add to the PE, physical activity and sport a school provides
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

The PE and Sports Premium should secure improvements in the following indicators:

1. engagement of all pupils in regular physical activity
2. profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sport and activities offered to all pupils
5. increased participation in competitive sport.

At Wood End Park Academy, we value the importance of sports and physical development. We have a lead for Extension and Enrichment whose remit includes ensuring the high-quality of sports in our academy; an excellent sports team of coaches who work closely developing a PE Curriculum that is broad, balanced and high quality. This is both within the academy timetable and beyond.

Pupils can access sports activities on Saturdays and during the holidays too.

Do look at our Sports Page on our website for the full information.

In addition to the Sports Strategy Plan, Wood End Park provide:

- The venue for the Centre of Excellence for Sport, inviting gifted and talented pupils from other academies in the Trust to participate therefore nurturing talent in the local community
- the venue for a Boccia sports event, specifically designed for pupils with SEND
- Preparing pupils in school sports teams to represent Wood End Park Academy at the Park Federation Trust and other sports events. Typical, Federation sports events included cricket, dodgeball, football, cross country and athletics. Wood End Park Academy also participate in events that are Borough level
- Payment for travel to special sports events e.g. visiting Lords, Thames Valley Stadium to practise athletics
- Swimming lessons at the local swimming pool for Year 5 pupils. The PE Lead submits data to show WEPA meets the requirements of the National Curriculum's expectations within swimming.
- IT devices and software to support e.g.recording ongoing assessment in PE lessons including photographs/videos to share with pupils to evaluate their work.
- Healthy Living workshops for parents and pupils so a healthy lifestyle involving activity is promoted at a very early age
- CPD for all staff in PE e.g. all teachers will become familiar with our expectations for pupils in dance with our new dance curriculum and planning; in each year group knowing what these outcomes would look like too.
