

Summer 1 Theme 1:	Beyond the life we know (Dinosaurs + Aliens)
What can you do at home?	
Books to read at home	<div style="display: flex; justify-content: space-around;">   </div> <p>Have fun reading these stories and exploring beyond the earth that we know. Explain that dinosaurs used to live a long long time ago and allow your child to decide whether aliens are real. Do aliens roam in our garden overnight and steal our washed laundry? Probably not!</p>
Literacy learning	<p>Find a non-fiction book about dinosaurs and write up a fact-file! Read and teach this to a member of your family or a friend! I am sure they will love to hear all of your interesting facts!</p>
EAD learning	<p>Create your own rocket using toilet roll and other junk modelling! Paint it and add on some lovely decorations! Have fun playing with your rocket. What planet will you visit in space?</p> <div style="display: flex; justify-content: space-around;">   </div>
