

Summer 1 Theme 2:	Imagination (Magic + Fairies)
What can you do at home?	
Books to read at home	<div style="display: flex; justify-content: space-between;"> <div style="width: 45%;">  </div> <div style="width: 50%;"> <p>Read this book about a lovely fairy who has a hearing impediment and also a young boy who is learning to communicate clearly. Discuss why the fairy struggled with her hearing and also how we can make sure that we follow the rules for good speaking.</p> </div> </div> <div style="display: flex; justify-content: space-between; margin-top: 10px;"> <div style="width: 45%;">  </div> <div style="width: 50%;"> <p>A book about fairies and magic- all the while, teaching us about number bonds to 10!</p> </div> </div>
Maths learning	<p>Learn your number bonds to 10! Remember that number bonds are best friends! They come together to make 10. For example, 2 and 8 are best friends – they come together and make 10! What other pairs of friends can you find?</p>
Personal, Social, Emotional and Communication and language	<p>Why do you think it is important to talk clearly? What are the rules for good communication? Why do you think this is?</p> <p>Activity 2: why do you think the flowers wanted to become butterflies? How do you think the flowers felt when they were flying around the garden?</p> <p>Remember to follow the golden rules of communicating whilst completing these talking activities.</p>
