

## Exciting opportunity for Year 4 Pupils!

Ms Johra would like 12 Year 4 pupils to become Reading Mentors, and become part of the pupil leadership team, starting in September.

If you feel you are good at reading, and would like to help younger children to enjoy reading too- you could be a Reading Mentor.

You would read with the new Year 3 children for about 15 minutes at lunchtimes, either in the library or outside in the quiet area.

Reading Mentors earn housepoints every time they hear their readers. If you hear readers at least once a week, you will be invited to *an end of term party*. In addition, the reading mentor who hears the most readers earns a certificate and a prize.

If you would like to be one of the new Reading Mentors, to start in Year 5, then please write to me: Ms Din.

Tell me why **you** would make a good Reading Mentor. Give your applications to me in my room next to Welfare, or ask your teacher to pass it onto me.

Make sure your name and class are written clearly. Return your letters to me.

I look forward to reading your applications.
