

# Microwave Puffy Paint

## Equipment:

One cup of flour  
3 tsp baking powder  
1 tsp salt  
Water  
4 Ziplock Bags  
Food Colouring  
Rubber bands

Scissors  
Microwave

## Instructions:

1. Mix together the flour, baking powder, salt and enough water to make it the consistency of pancake batter.
2. Divide the mix into four parts and put them into the Ziploc bags along with some food colouring. Part of the fun is squishing it all around to mix up the colours!
3. Rubber band the bags like you would if you were icing a cake and snip off the teeniest little bit of the tip.
4. Paint away! When you're finished, pop the painting into the microwave for 30-45 seconds and watch the paint puff up and grow – such fun!
