

Spring Term Areas where aspects of GRADES are specifically mentioned
 Year Group : Five

	<p>Gender In History, we look at the development of democracy and how only certain types of people could vote. Women were not allowed to vote. We discuss why this may have been the case and compare it to today.</p>
	<p>Relationships In PSHE, we look at habitual use of substances which can affect a healthy relationship for example, alcohol, smoking etc. We discuss how to manage such situations.</p>
	<p>Age In Science, we look at the human lifecycle and the twelve different stages humans go through from fertilisation.</p>
	<p>Disability In our Geography Rivers topic, we look at the Rivers being accessible to all including those with disabilities in terms of leisure activities. And how.</p>
	<p>Ethnicity In PSHE, we explore future aspirations, dreams and goals. We discuss how these opportunities should be available to all of us. In Reading, we read stories from different cultures.</p>
	<p>Sexuality Votes for Schools: We remind pupils of how sexuality is diverse and personal; it is an important part of you.</p>
