

How you can help your child at home:

English

In the Autumn term, we will be looking at the features of diary entries, biographies and newspaper reports. We will use our ideas to write our own versions - get a head start at home by practising how to turn factual information into reports and entries.

Maths

Practise your timestables on TT Rockstars
or try a Mathletics challenge!

[login.Mathletics.com](https://www.mathletics.com)

Science

Test your knowledge about rocks, soils and fossils here:

History

We will be learning about civilization in Ancient Egypt and the unique way of life the Egyptians led. The children will also learn about the hierarchy and the historical artefacts. Please use the code below to learn of some facts about Ancient Egypt:

Art/DT

Learn about why masks were used by the Egyptians.
Have a go at home!
