

How you can help your child at home:

Phonics

Check with your child's teacher if there are any particular sounds that you should focus on at home so that you are working together to support your child.

English

We will be using non-fiction texts that provide **information** about a particular topic - space. A visit to the library is a great way to familiarise your child with different information books about space. The text we will be using in class is **Mr Benn Spaceman by David McKee**.

Maths

Test your skills!

Science

Information on plants

Geography

We will be learning about the difference between the town and the country. The children will then learn about which countries make up the United Kingdom. Please use the code below for more helpful information!

PSHE

This term the children will discuss the importance of looking after oneself in terms of health and safety.

Art

This site has some ideas on building and making crafts with different materials. Have a go at home!
