

How you can help your child at home:

English

During the Spring we will be writing Diary entries, Persuasive Letters and Poetry with a focus on the use of expressive and figurative language to describe feelings.

Maths

During Spring term, our maths lessons will continue to develop the children's ability to calculate different monetary amounts.

TT Rockstars is sequenced programme of Times tables practice.

Login on to: trockstars.com

Science

During this unit the children will be building on their knowledge of plants from KS1. They will explore where plants grow, how they grow from a seed, the functions and structure of plants.

History

We will develop their understanding of the Roman civilisation by exploring why the Romans invaded and settled into Britain and what changes they made.

Art/DT

In the Spring Term, we will be learning about Weather Maps.
