

# How you can help your child at home:

## English

We will be writing stories, arguments and diaries this half term. Watch this argument, do you agree with it or not?

<https://www.bbc.co.uk/bitesize/clips/zjpmhyc>

## Maths

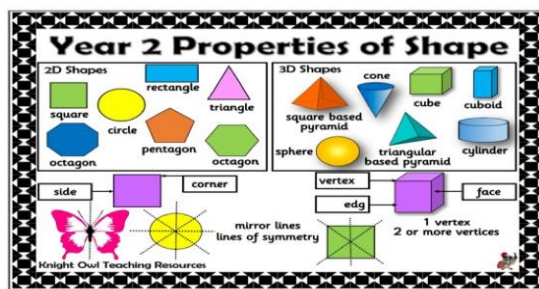

Fractions and time

Practice your fractions skills by completing these online activities.

<https://whitrosemaths.com/homelearning/year-2/>

## Shapes

Revise the properties of these shapes

## Geography

We will be learning about the English coastlines, focusing on West Wittering. What can you find out about West Wittering?

<https://www.visitichichester.org/activity/west-wittering-beach>

## PSHE

This term the children will focus on transitions. Children will soon be transitioning to Key stage 2. Write down what you are looking forward to? What changes will happen when you are in Year 3?

## Art/DT

This term the children will making their own seaside collages. Can you start collecting things at home to create your collages?
