

WOOD END PARK ACADEMY'S TIMES TABLES ROCK STAR SUCCESS

As you know, Years 2-6 are all signed up to Times Tables Rock stars (<https://play.ttrockstars.com/>). Whether they play on the app or on the computer, they have access to competitions and general practice of their times tables. In school, we check and celebrate the leaders and host competitions between classes.

Why is it important that children know their times tables?

Throughout school, children learn and practice their times tables. This helps them with their fluency and speed in lots of areas of maths (mental maths, division, arithmetic, money, area and perimeter and others). In year 4, children will sit a times tables check to test their recall of these.

Times Tables Rock Stars is a fun way to get them practicing and everyone loves a bit of competition.

Competition time

Last week, we participated in a competition:

Year 5 v Year 6

Year 3 v Year 4

Year 2 classes v each other

Congratulations to our winners:

Our October tournament

This tournament was within year groups. Congratulations to the winners of our October tournament:

Miss Rama (maths lead)

"I am so impressed with the effort that children have been putting in to their times tables. The competitions have been excited and created a competitive atmosphere in the school!"

Special Mentions

Miss Rama, our maths lead and manager of our WEPA rockers, wants to give a special mention to these pupils, who have been doing really well in their times tables. Can you get on the leaderboard?

Maira (6BS)

"Times Tables Rock Stars is a really good way for young children to learn their times tables because it gives you a good course to help you practice."

"I like doing my times tables and Time Tables Rock Stars helps me do it."

Aashirya (4HM)

"I love it because sometimes tournaments come up so you get to play against other classes and your friends and improve your times tables skills. I also like my avatar."

If you are unsure if your child has access to Times Tables Rock Stars or have any questions about how to set it up and use it, please speak to your child's class teacher or write a note in their diary.
