Dear Mr Young

Festive Toys 2017

18 December 2017

Thank you so much for your continuing support of our Festive Fundraising by enthusiastically selling our mix of items to raise money towards patient care at Michael Sobell Hospice.

You will be pleased to learn your school raised the sum of £112.04.

I would be most grateful if you could pass on our thanks to everyone who took part in the appeal. A certificate is enclosed to display to your students and staff in appreciation of their achievement. We are very particularly grateful for this donation especially in our anniversary year.

I would be happy to visit the school to talk to the pupils to increase awareness of the work of the hospice. Please contact me at any time to discuss how we would work together in the future.

Yours sincerely,

THE MICHAEL SOBELL HOSPICE FUNDRAISING TEAM PROMISE

A personal message from Lindsey Fealey, CEO Michael Sobell Hospice Charity

With the recent news stories and publicity regarding dubious fundraising tactics around charities communicating with their donors and supporters, I would like to reassure you that Michael Sobell Hospice Fundraising Team is committed to valuing, protecting and respecting your right to privacy at all times.

We promise to keep all our supporter information safe and secure

We promise we will not share or sell data to any third parties

We promise to respect and preserve your right to privacy

We promise to be transparent and honest about the way we use the data we collect

Without our wonderful supporters, we simply would not be able to fund over £1.6 million towards local Hospice care each year. Your continuous support and dedication is crucial for us as a charitable organisation and that is why we are making our fundraising promise to you. From time to time, would like to contact you about our work, news, fundraising activities and events, and you can tell us (if you haven't already) how you would like to receive these communications in the future e.g. email, post, phone call. You also have the right to 'opt out' of receiving communications from Michael Sobell Hospice Fundraising at any time. Simply get in touch with our Fundraising Team directly on 020 3826 2367 or email Optout@michaelsobellhospice.co.uk with your name and address, and we will update our records accordingly.

For further details and information regarding the way we collect, use and store data, please visit <http://www.michaelsobellhospice.co.uk/fundraising>

THANK YOU for your continued and valued support. Together, we can make a real difference in our local community for patients and their families facing life-limiting illness, now and in the future.
