Dear Sirs,

We would like to thank you on behalf of all the children and families we support, for raising £377.72* through your charity collection. Your support has helped us transform children's lives.

Fred, 13 (right), and his friend Clinton, 14, attend school in Malawi which receives special help from Save the Children. Fred is blind and he often feels left behind in regular class as he cannot see what is written on the board and because the classrooms are so crowded.

Because of the support of fundraisers like you, we can provide extra resources and classroom space, which makes Fred feel much more relaxed and able to learn with the rest of his class.

Through all this support, Fred has learnt how to read and write in Braille, and has learnt maths and science.

Fred says "The nicest thing about school is that there is so much music here. I play drums, and I'm good at it!...I want to learn as long as I can."

Save the Children helps schools provide the support needed to children like Fred through specialist teachers and extra resources. This helps to ensure that children, no matter what their needs, can go to school feeling supported and happy.

We couldn't do all of this without supporters like you. Thank you!

Best wishes

Elliot Green
