

**Wood End Park  
Academy**

# Year 2

# Spring 2 Art

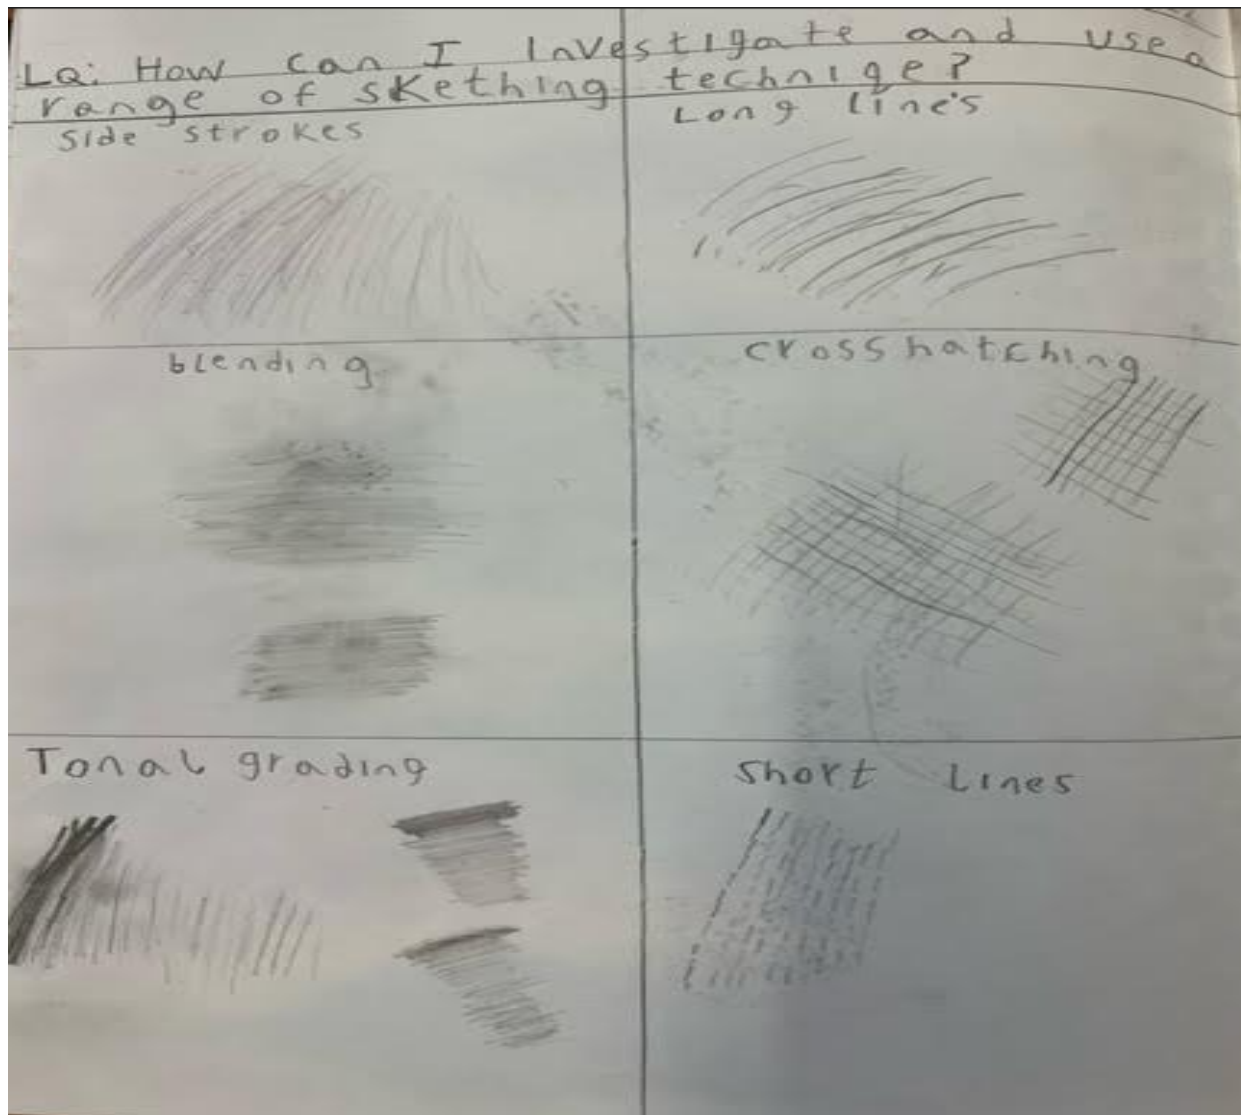

# Sketching

## Intent of the unit:

- Children will be exploring a nature artist and record their experience after being taught different range of techniques and then they will apply it in their final product. (*Contrasting shadings, cross hatchings, long and short lines etc.*)
- They will be given an opportunity to observe and collect natural objects to sketch.
- Children will use all the sketching techniques to sketch Florence Nightingale's Lamp
- Finally, children will be evaluating their sketch.

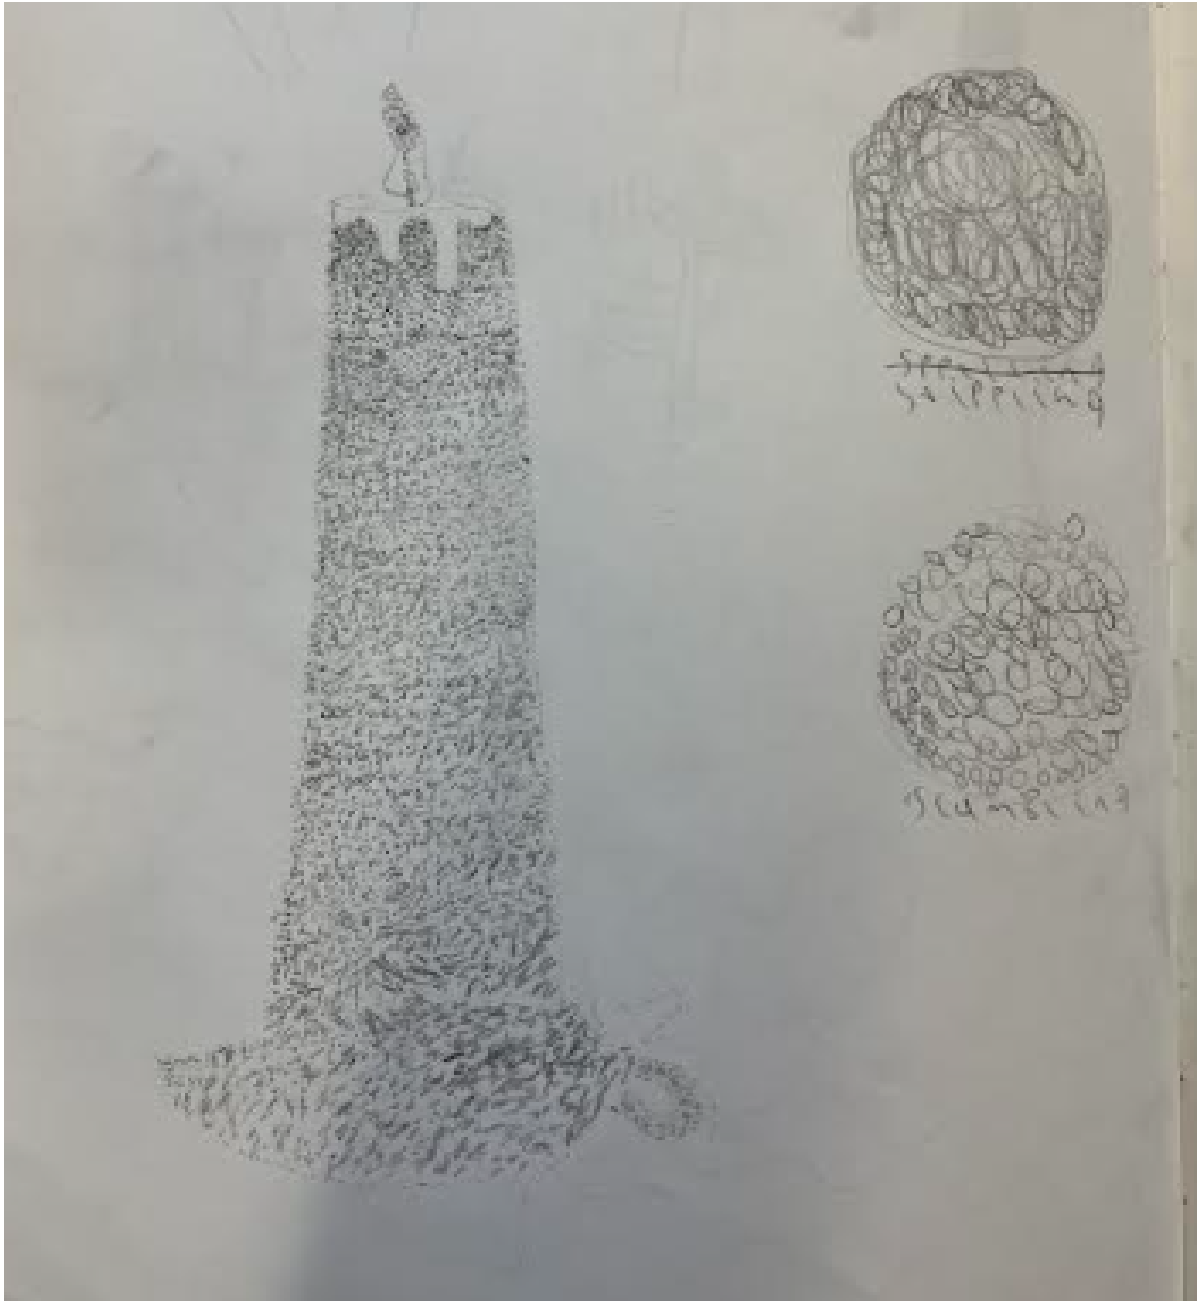

**LQ: How can I investigate and use a range of sketching techniques?**

In this lesson, children to investigate and use a range of sketching techniques.

**LQ: Which sketching techniques can I use to make a candle sketch?**
