

**Wood End Park  
Academy**

# **Year 2**

# **Summer 2 Art**

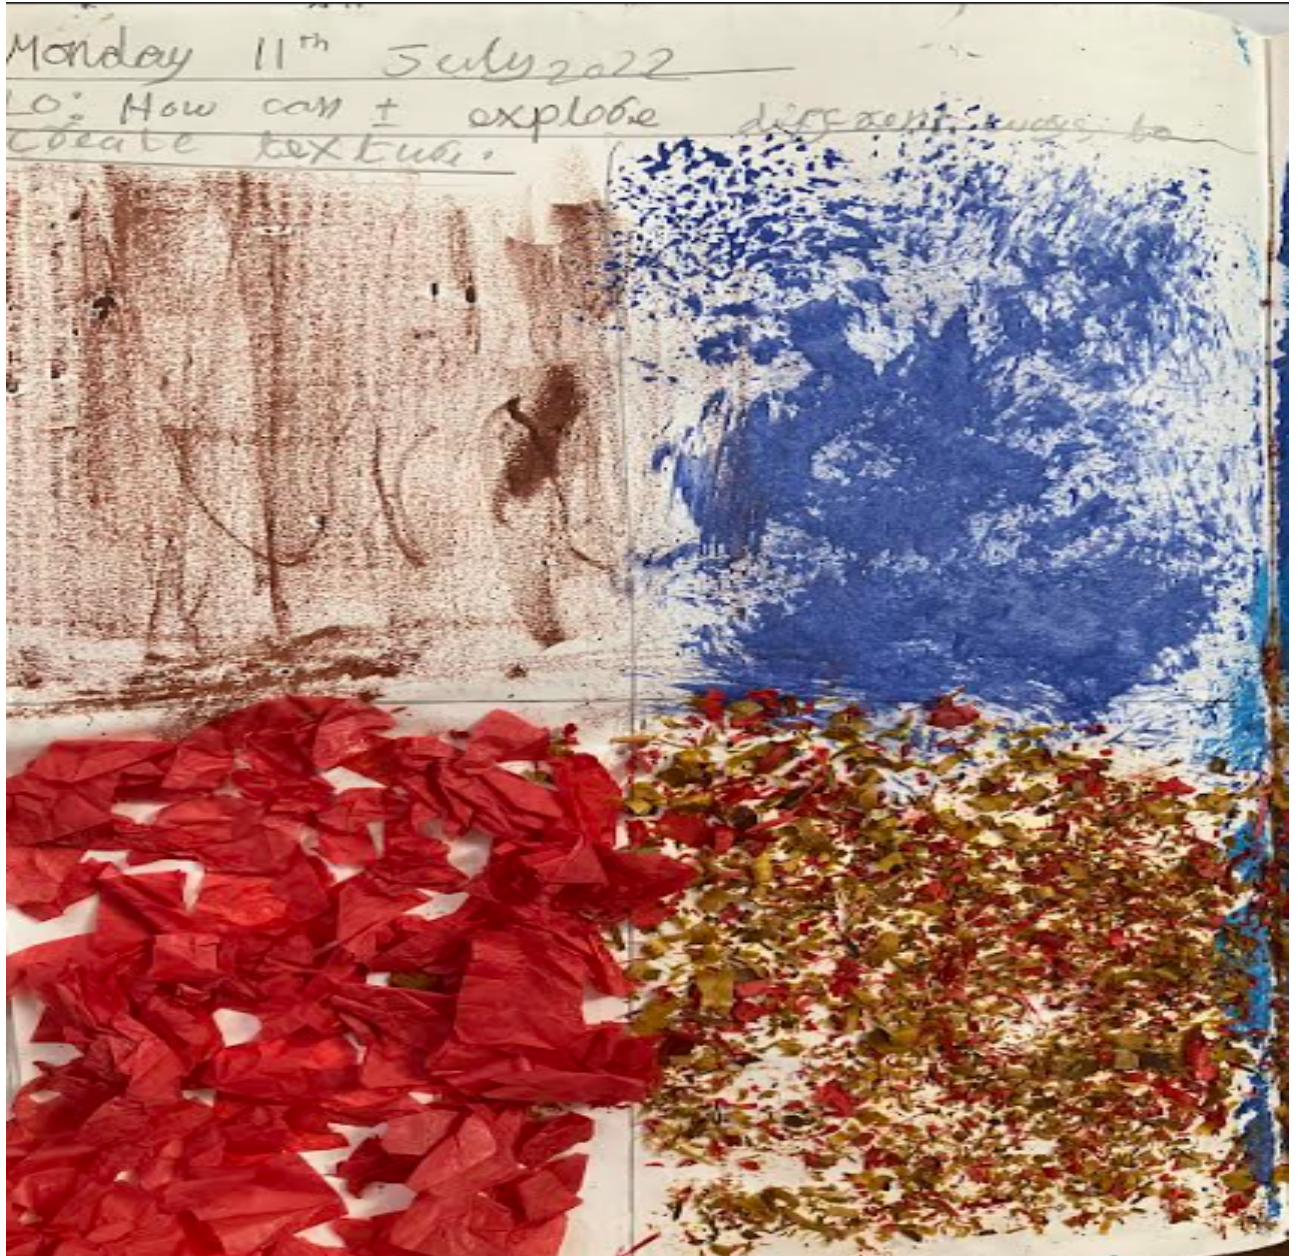

# **Seaside Collage**

## **Intent of the unit:**

In this Art unit children will be taught how to create a beach collage using a range of materials. This would link with the geography topic unit where children will learn about keeping the seaside clean and the importance of beaches. This unit will allow children to further explore beaches and apply their knowledge of physical and human features. Children will also get an opportunity to visit a beach as part of their learning and this would further enhance their knowledge. In this unit, children will learn new art techniques such as rubbing, sponge painting and sand painting to create texture.

**LQ: How can I explore different ways to create texture?**

In this lesson, children to design and investigate a range of techniques suitable for their collage.

**LQ: How can I use different materials to create a background?**

In this lesson, children investigated and used a range of materials to create a background.

**LQ: How can I use different materials to add detail to my collage?**

In this lesson, Children used a range of materials to add details in their beach collage

## LQ: How can I improve and evaluate my collage?

In this lesson the children evaluated their work. They thought about and then discussed what they liked about their work and what they would change next time.
