

Pattern

A pattern is a design where lines, shapes or colours are repeated.

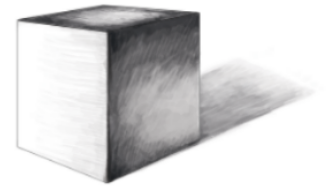

Scale

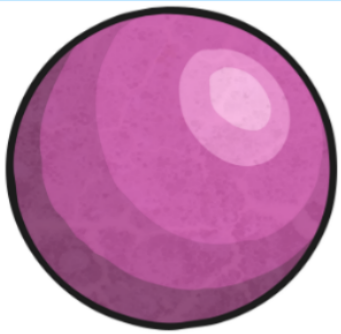

Refers to the size of an object compared to another object.

Shading

Is a technique used by illustrators to create the illusion of depth in a 2D shape.

Sphere

Perfectly round 3D shape in the shape of a ball.

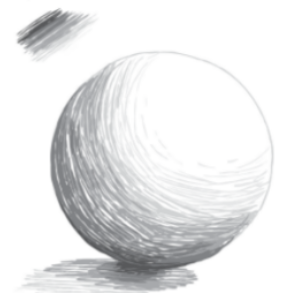

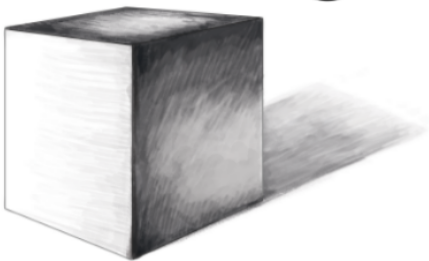

Pyramid

A 3D shape with a 4 sided base where all 4 corners slope upwards and meet at a point.

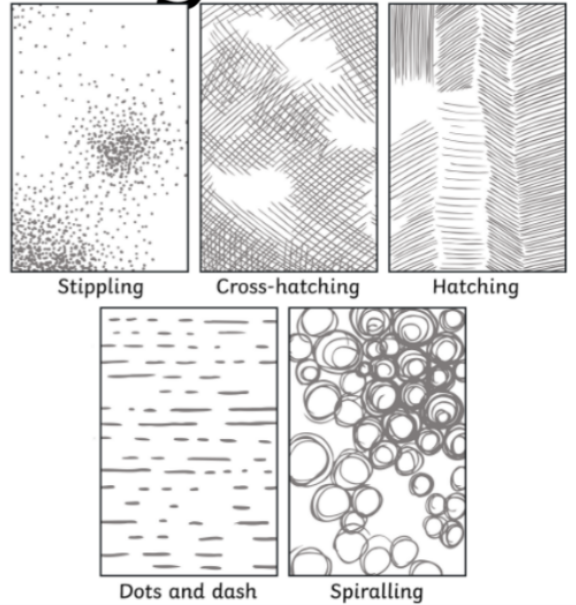

Shadows

Art where 2D shadows are given for an effect.

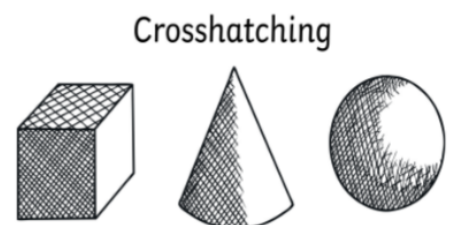

Technique

The way something is carried out for effect.

Crosshatching

Method of using black and white lines to give the illusion of tone or shading.

Portrait

Artwork which has been created about a person or animals, which tells us things about them.
