

Art VOCABULARY: Logo Printing

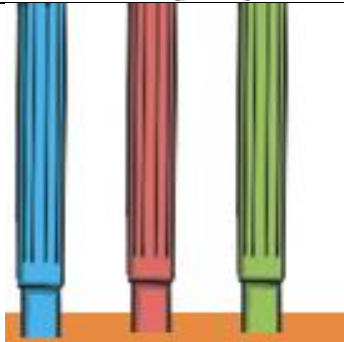

Painting

Drawing

Printing

Feltip pen

A coloured **pen** that holds and dries ink well.

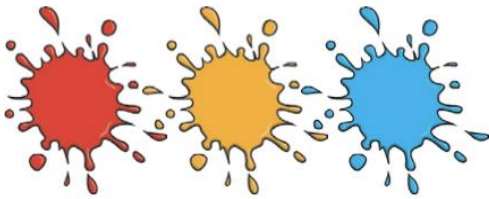

Art VOCABULARY: Logo Printing

paint

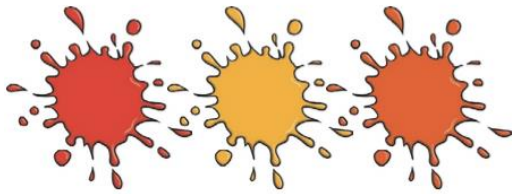

fabric

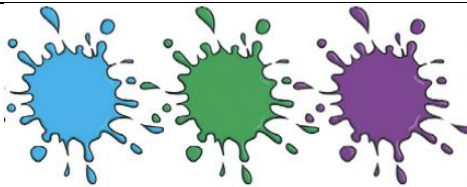

Primary
colours

Primary colours are basic **colours** that can be mixed together to produce other **colours**. These colours are red, yellow, blue, and sometimes green.

Warm
colours

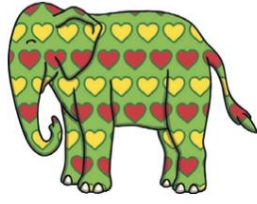

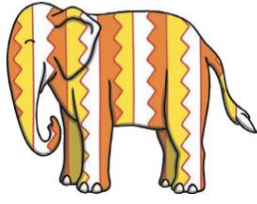

Warm colours are: red, yellow, and orange. They represent **warmth** because they remind us of things like the sun or fire.

Cold
colours

Cold colours are: green, blue, indigo and violet. They are linked to quietness, sweetness, and calmness.

Art VOCABULARY: Logo Printing

Pattern

An ordered set of numbers, shapes, or other objects, arranged according to a rule.
