

**Democracy** - a government run by people in which citizens make their rules

**Athens** - The capital of Greece; most important and powerful Greek city-state that invented democracy

# Trojan War - war fought between the Greeks and the people of Troy

**Empire** - a state or group of states under the authority of a single ruler

**Ancient** - Something from a very long time ago.

Ancient Civilizations

**Civilisation** - In this context, the word 'civilisation' is used to describe a human society with well-developed rules and government, often where technology and the arts are considered important.

**City states** - Small areas that ancient Greece was divided into, each with their own governments, laws and army.

**Legacies** - Things that live on after someone dies or after a civilisation or event ends.
