Year 3 Summer 1

Unit	Arithmetic target	Learning Objectives (new curriculum)
Week 1 **Place Value** **Addition and Subtractions** **Problem Solving**	I can add and subtract two three digit numbers	I can count from zero in multiples of 4,8 and 50 3.1.a.3 I can round whole numbers to the nearest 10 3.1.a.3 I can add and subtract three digit numbers 3.2.e.1 I can solve addition and subtraction problems (missing digits) 3.2.c.1 I can use rounding to check my answer 3.1.e.1
Week 2 **Multiplication and Division** **problem solving**	I can add and subtract two three digit numbers	I can recall and use multiplication and division facts for the 8 times table 3.2.b.3 I can use a formal written method for multiplication 3.2.e.2 I can use a formal written method for division 3.2.e.2 I can solve problems using all four operations KOVEMAC x 2 lessons 3.2.c.3
Week 3 **Fractions** **Problem Solving**	I can add two two-digit numbers that total greater than 100	3.3.d.1 I can solve reasoning problems involving ordering fractions with the same denominator I can solve reasoning problems involving ordering unit fractions I can solve reasoning problems involving adding and subtracting fractions I can solve problems involving equivalent fractions I can solve mixed fractions test style problems
Week 4 **Statistics**	I can add two two-digit numbers that total greater than 100	I can present information on a bar chart 3.1.2 I can interpret a bar chart 3.1.1 I can answer word problems based on a bar chart 3.1.1 I can interpret a information in a table 3.1.1 I can answer word problems based on tables 3.1.1
Week 5 Geometry	I can multiply and divide by 8 (8 times table)	Identify right angles, recognise that two right angles make a half-turn, three make three quarters of a turn and four a complete turn (^)3.3.1 Identify whether angles are greater than or less than a right angle 3.3.2 Recognise angles as a property of shape or a description of a turn 3.3.3 Give and follow multi-step directions in own environment (+)3.5.1
Week 6 **Review and Assess**	I can multiply and divide by 8 (8 times table)	Review Topic in preparation for summer assessment
