Unit	Arithmetic target	Learning Objectives (new curriculum)
Week 1 Time	I can add and subtract three digit number with a single digit number or multiple of ten	LO: I can convert between 12 hour and 24 hour on a digital clock 3.2.2 LO: I can tell the time to the nearest 5 minutes on an analogue clock 3.2.2 LO: I can tell the time on a Roman numeral clock LO: I know the number of seconds in a minute and the number of days in a year and leap year 3.1.2 LO: I know the number of days in each month (problem solving using the calendar) 3.1.2
Week 2 *Multiplication and Division Consolidation*	*I can multiply by multiples of ten (e.g. 3 x 5 = 15, 3 times 50 = 150)*	*LO: I can recall multiplication and division facts for my 3,4 and 8 times table* *LO: I can use formal written method to multiply (missing numbers)* *LO: I can use a formal written method to divide* *LO: I can solve word problems using multiplication and division* *Big Maths*
Week 3 Money	I can multiply by multiples of ten (e.g. 3 x 5 = 15, 3 times 50 = 150)	I can add and subtract amounts of money using £ and p (practical using coins) 3.3.3 I can add and subtract amounts of money using £ and p (practical using coins and notes) 3.3.2. I can add and subtract amounts of money (written problems) 2 lessons 3.2.c.2 Year 3 to finish week with an even e.g. cake sale, charity fundraiser etc.
WEEK 4		REVISION AND ASSESSMENT
Week 5 Place Value	I can multiply and divide by three (three times table)	Review: LO: I can count in multiples of 4,8,50,100. Or find 10 more or less than any given number 3.1.a.2 3.1.a.3 LO: I can compare numbers up to 1000 (Focus on reasoning) 3.1.c.1 LO: I can identify and represent numbers in different ways (including partitioning in different ways) 3.1.b.1 LO: I can round numbers up to 100 to the nearest 10 3.1.e. LO: I can Solve number problems and practical problems involving place value . 3.1.d.1
Week 6 Addition and Subtraction Consolidation	I can multiply and divide by three (three times table)	LO: I can add two three digit numbers 3.2.e.1 LO: I can estimate the answer to a calculation LO: I can check addition calculations using the inverse 3.2.f.1 Lo: I can check addition and subtraction calculations using rounding 3.2.f.1 LO: I can solve addition and subtractions WORD problems 3.2.c.2
