#ANTIBULLYINGWEEK

What does the word 'bullying' mean to you?

What makes us different?

- **No two of us are exactly the same.**
- **It's these differences that make us interesting and diverse.**
- **Wherever we go, we can always find diversity all around us.**

It's NEVER the victim's fault

- No matter what anyone says, it's never your fault if you're being bullied.
- Don't retaliate.
- But there are other ways you can respond to bullying.
- Who in school can help you?

This week you will be creating a helping hand for the display in the KS1 hall.

Tomorrow we can all wear odd socks to
